# Borrowed calculator return checklist

Use this with your college's own due date, reset instructions and lending agreement.

**Do not perform a full memory reset unless the lending institution specifically requires it.** A reset can remove programs, applications or configurations intended for future borrowers.

| | |
|---|---|
| ☐ | **Policy**<br>I reviewed the college's return and reset policy. |
| ☐ | **My entries**<br>I addressed only my own visible entries when permitted. |
| ☐ | **Functions and lists**<br>I did not remove content when I was unsure who created it. |
| ☐ | **Settings**<br>I reported unusual settings rather than using a full reset. |
| ☐ | **Condition**<br>I checked and reported cracks, display problems or unresponsive keys. |
| ☐ | **Accessories**<br>The case, cover, cable and listed accessories are present. |
| ☐ | **Deadline**<br>I am returning it to the correct place by the required time. |
